We have enclosed a copy of an initialed and dated Form PTO/SB/0A provided to the undersigned by the Examiner via facsimile on January 22, 2008 in connection with the above-identified application. The original form accompanied an Information Disclosure Statement filed August 10, 2007. In a telephone call Examiner Philippe has confirmed that the references were considered on September 4, 2007 and that the initialed form was present in the internal PTO system. However, the initialed form is not currently found in the PAIR image file wrapper for the application. Applicant requests an update of the image file wrapper to reflect the confirmed consideration of the references by including a copy of the signed PTO/SB/OA form therein.

Dated: January 23, 2008

Respectfully submitted,
